Product Description

Dirt Dog RC207 84" Rotary Cutter

Reclaim your property with the Heavy Duty Rotary Cutter. This mower features a 3" cutting capacity, perfect for handling small trees and brush. The dual tail wheels provide a smooth ride over uneven terrain while ensuring a clean, even cut in tall grass. Front and rear chains keep debris contained within the mulching chamber for a superior finish. These features make it the best all-around HD mower on the market to date.

- Smooth deck with subframe reinforcement for unbeatable strength and easy cleaning
 - Front and rear chain guards standard on all models
 - 10" tall sidebands for optimized cutting volume
 - Dual tailwheel standard on the 7 ft model
-
