Product Description

Disc Harrows & Tillage - One Row Cultivator The Dirt Dog® 1RVC Cultivator is ideal for aerating, stirring and pulverizing the soil to remove weeds, prepare the ground before planting, or loosen the soil after the crop has begun to grow. The 1RVC has 6 shanks with replaceable tips and is designed for 25-45 HP tractors with Cat I Standard and Quick Hitch. The 1RVC has mounting holes in place for seed planters made by Covington® or Cole. This feature allows for reduced trips over the field and makes the implement even more valuable to you.
