Product Description

Disc Harrows & Tillage - Lay Off Plow Once a field has been broken and disked, the Dirt Dog® LP Layoff Plow is used to make rows where crops are planted. The LP has a single, wide prong with a replaceable tip used to lay off and create a bed where you can plant your crops. After the rows are made, the planting can begin. In addition, the Dirt Dog® LP Layoff Plow can be used for digging root type vegetables such as potatoes. The layoff plow is designed for 25-45 HP tractors with Cat I Standard and Quick Hitch.
