Product Description

RedMax Trimmer TRZ230S

This RedMax trimmer is a powerful performer for homeowners as well as commercial contractors. The TRZ230S features a 22.5 cc, 0.94 horsepower engine, and its lightweight makes the trimmer extra portable for landscaping use. A Strato-Charged engine ensures up to 20% better fuel economy than a traditional two-stroke engine while increasing torque and improving emissions. A steel drive shaft with 7-point splined engagement ensures durability and quick acceleration.
